

What Women Want ~ How Men Listen

Are You Searching for Love in a Box of Chocolates?

The Challenges of Getting along with the Opposite Sex

The Bigger Question: Are you the opposite Sex or am I?

A sometimes humorous look at the truth of how we behave with each other. We will cover subjects such as;

- Signals for Sex
- Loving His Opinions
- Consider Oxytosins
- Let the Beauty Sleep
- Asking for Directions
- A Woman's Ouch Heart
- When to apply Duct Tape
- If Men Could Learn To Say Ouch Too.

Nanci Hartland began studying the Man ~ Woman relationship in 1987 by taking courses with Vic and Susie Baranca of More University in Lafayette, CA. She then went on to PAX courses with Allison Armstrong; Celebrating Men ~ Satisfying Women. She brings her experiences and her knowledge to this confusing subject. You will leave with new wisdom, respect, understanding and enjoyment of why we are different.
